

Ride Times for the SVF Combined Test/Event Derby

Saturday August 21, 2021

Alphabetized by rider FIRST name, then by start time. Times were done to ensure Dressage was done before Jumping, lower levels were done before upper levels, and there was at least 30 minutes between rides (unless same horse/rider in the same phase) to account for change of rider and/or tack. Please contact me ASAP if there is a problem or question.

Dressage runs 9am to approximately 11:45 am. Jumping starts at 11am and runs until approximately 2pm. Note there is a specific time listed for jumping. We will take riders in any order once their level starts. We had to work out possible times to make sure those with multiple horses or horses with multiple riders had time to switch. Timing for each division appears (on paper) to be generous but please be prepared to jump within your division window.
